THE FUNANCIAL SITUATION.
WASHINGTON, Nov. 9.—The stringent condition of the money market in New York conlunes to farnish the subject for much speen lation in financial circle here, An interciew with Secret ry McCulloch was had to is morning, in order to ascert in what come the Treasury Department would pursue Mr. McChilloch expressed in strong language his determination to bresk up the e movements which tend to bring about a financial crish. mount he could retire, but d'd not forbid any tenders on the market. Order had been given to assistant Tressurer Van Dyck to exchange retary said that all et tements about the Asduring the present at ingency were false. fore the market assumed its pr ent aspect, these certificates; but as they had been pre sented with a request for bonds, this exchange had been made. In regard to the statement telegraphed to New York that the Scoretary would not reisene any legal tender., he pro mands he certainly would Issue them to a extent necessary to relieve the market.

GEN. GRANT Is now the sensation of the capital and his movements are very closely watched and chro ic . This morain he walked up the his official duties. A number of per as vis-ticed him duving the day, heledding Colfax, Schoffeld, Sens's Morgan, Gens. Haucock. Thomas, and other office: The General received them all with great contlesy and bowed his thanks to their congratulations. The conversations were generally rather brief, though in some instances quite an animated talk wa-

General Grant left his office about 1.30 o'clock this afternoon, and, as he passed through the Treasury Department, called on his old friend, Gen. Spirmer, Unit d States cial conversation with him. Spinner is a great fevorite with the General. Speaker C lfax, Wade, Morgan, and others dined with him today. The radicals are very entausia-tic over the been chosen for his place, that the salary at-
